ORDER
(Passed on 15th September, 2005)

The petitioners in this batch of writ petitions are working as permanent Gang Men in the Public Works Department of the State Government. Accordingly, this batch of writ petitions is being disposed of by a common order.

(2) The petitioners were employed as permanent gang men with the Public Works Department of the Government. The petitioners

continue to work as casual permanent gang men ever since. By order dated 02.04.2003 / 24.04.2003, the respondent / State decided to terminate the services of the petitioners / gang men working in the Public Works Department either on completing 30 years of service or attaining the age of 60 years, which ever was earlier. Pursuant to this order, the petitioners were retired from their services on completion of 30 years of service. During the pendency of this petition, the State Government by order dated 24.03.2005, decided to retire gang men working in the Public Works Department on attaining the age of 60 years and decided to delete the clause "retiring the gang men on completion of 30 years of service". This order was made effective with effect from 30.03.2005.

(3) After hearing the learned counsel for the parties, it is clear that the requirement of completion of 30 years of service for the purpose of retirement has been deleted w.e.f. 30.03.2005. Learned counsel appearing for the State / respondent submits that this order would be effective from 30.03.2005 and as such the gang men who had already retired from 30.03.2005 may not be given benefit of this order. The argument of the learned counsel is not tenable and the same is not accepted. Purport of the order is quite clear and unambiguous as it appears from the perusal of the order as well as from the contentions of the petitioners that the gang men who have not completed the age of 60 years as on 30.03.2005, they will be allowed to continue till they attain the age of 60 years. It is informed by the learned counsel for the petitioner(s) that some of the gang men, who have already retired on completion of 30 years of service, have been paid retiral benefits i.e. gratuity only. This will be unfair, if the petitioners, who have retired before 30.03.2005 on completion of 30 years of service, though they have still some years to go before 60 years of age, are not given benefit of order dated 30.03.2005.

(83)

(4) For the reasons stated above, the respondents are directed to allow all the gang men, who had retired on completion of 30 years of service but have not attained the age of 60 years, to rejoin the services and continue till they attain the age of 60 years, subject to depositing the retiral benefits, if any, given to them.

(5) In some of the petitions, the petitioners have prayed for regularization of their services as Gang-man. Learned counsel for the petitioners submit that the said prayer be dismissed as not pressed at present. However, the liberty be granted to the petitioners to raise the issue of regularization before the appropriate forum, if necessary. The petitions with regard to the prayer of regularization are dismissed as not pressed with liberty to the petitioners to raise the dispute seeking redressal of the relief of regularization, if necessary, before the appropriate forum.

(6) In view of the foregoing, the petitions stand allowed to the extent indicated above. The respondents are further directed to comply with this order within a period of two months from the date of receipt/communication of this order. No order as to costs.

Parties are entitled for certified copy of this order.
